

Announcing the “5th” Annual Troll’s Cove Winter Knit Along!

Our Project this year will be:

“Afghan Squares”

- * Your **2-12**” squares need to be knit/crochet at a gauge of 4.5 or 5 sts to the inch.
- * Fiber of your choice.
- * Needs to be a project you have not previously completed.
- * Please make it something special for you.
- * All materials must be purchased at the shop.
- * Bring your creation in the weekend of March 7, 2009.
- * Include your pattern and a brief statement about what you did; the materials you used. I’ll develop a pattern booklet including all our squares. You’ll receive the booklet free if you have participated in the knit along. Other booklets will be available for sale in the shop.
- * We will have your creation on display until Sunday, March 22nd..
I’ll close the shop at 2 p.m. that day for our “private party”.
- * We’ll have a fashion show with everyone who has been part of our knit along .
- * I will be asking some of you to volunteer to sew our squares together. Hopefully we’ll have enough square to develop one afghan for the Waupaca area and one for Wautoma. They’ll be on display until June. Then “sold” to the highest bidder and the proceeds given to the charity of the groups choice.

Drawings for prizes, gift certificates, kits, books!
Plenty of delicious food and beverage to help us all celebrate.

Everyone who enters has an equal chance of receiving one of the many prizes, we will have.

have fun!

Sandy
